

# IEEE BIOSENSORS 2026

BANGKOK, THAILAND || AUGUST 2-4, 2026

## CALL FOR LIVE DEMOS

### IMPORTANT DATES

**March 4, 2026**

Live Demo Submission Opens

**May 1, 2026**

Live Demo Submission Closes

**May 13, 2026**

Notification of Acceptance

### ORGANIZING COMMITTEE

#### GENERAL CHAIRS

**Panavy Pookaiyudom**  
Mahanakorn University of  
Technology, Thailand

**Pantelis Georgiou**  
Imperial College London, UK

#### TPC CHAIRS

**Benchaporn (Jern)  
Lertanantawong**  
Mahidol Engineering, Thailand

**Stefano Bonaldo**  
University of Padova

Please consider the opportunity to submit a Live Demo proposal for IEEE BioSensors 2026 in Bangkok, Thailand (August 2-4, 2026).

<https://iee-biosensors.org/2026>

The Live Demonstration track will allow authors to showcase their sensor technologies to the audience in live interactive sessions. We particularly encourage submissions to this track if you have a work-in-progress project/product and you want to get valuable feedback and inputs from the participants of this conference.

One-page abstract briefly describing what you are going to live demo is required to be submitted. A couple of pictures of your product will be an added advantage.

The proposal should follow the Conference template but limited to one page. The proposal can be submitted via ePapers:

<https://iee-biosensors.org/2026>

The abstract will not be included in the conference proceedings of IEEE *Xplore*®. But presenters will be given the option to record a copy of their presentation to be posted on the IEEE Sensors Council YouTube Channel.

For more information please visit us at [iee-biosensors.org/2026](https://iee-biosensors.org/2026)
