

CALL FOR PAPERS (V.2)

IMPORTANT DATES

15 March 2026

Submission Deadline

1 April 2026

Notification of Acceptance

22-24 June 2026

Symposium Dates

ORGANIZERS

Faculty of Physics
& Faculty of Medicine
University of Warsaw

Nencki Institute of
Experimental Biology PAS

Co-sponsored/supported
by the IEEE UFFC.

Symposium Chairs:

Dr. Marcin Lewandowski
Dr. Beata Brzozowska

Honorary Chair:

Prof. Andrzej Nowicki

Organizing Committee:

Dr. Marcin Lewandowski
Dr. Beata Brzozowska

Special Interest Group

(SIG) Chairs:

Prof. Ewelina Knapska
Dr. hab. Anna Beroun
Dr. Christoph Leitner
Dr. Moritz Herzog
Dr. Ing. Richard Nauber
Dr. hab. Tymoteusz Żera
Dr. Józef Ginter
Prof. Krzysztof Dragan

Technical Committee:

Dr. Piotr Karwat

We are excited to invite you to participate in the 1st Central and Eastern European Ultrasonics Symposium that will be held in Warsaw, Poland.

The symposium aims to bring together researchers, scientists, and medical practitioners from Central and Eastern Europe to discuss the latest advancements in ultrasonics technology and its applications.

We encourage submissions of application oriented and interdisciplinary research on ultrasound including novel methods, techniques, systems, and technologies.

We invited Special-Interest-Group (SIG) chairs to organize sessions in their respective fields of expertise.

We look forward to your contributions and to seeing you in Warsaw for an engaging and productive symposium!

For inquiries, please contact the symposium organizing committee at ceeus@lab4us.eu

SCOPE

We would like to push the boundaries of novel ultrasound applications, including but not limited to:

- » **BIOMED ULTRASOUND** – e.g. methods/systems, LIFU, HIFU, neuromodulation, drug delivery
- » **WEARABLES** – e.g. ultrasound wearable and implantable approaches
- » **MEDICAL APPLICATIONS** – e.g. POCUS, clinical applications, AI and Machine Learning
- » **INDUSTRIAL APPLICATIONS** – e.g. non-destructive testing, robotic ultrasound

SUBMISSION GUIDELINES

- » We welcome submissions on your current research as well as practical demonstrations and works-in-progress.
 - Manuscripts must be written in English and formatted according to the symposium guidelines.
 - Abstract Template (MS-Word)

Submissions should be emailed to: ceeus@lab4us.eu

PUBLICATION

- » We are planning on-line publications of the abstracts.
- » Selected extended abstracts/papers may be considered for publication in Polish scientific journals.
