IEEE IUS 2026

Ultrasound Commercialization and Translation Summit

The summit is an opportunity for attendees to learn about the ways IUS community members have taken research ideas from their laboratory and developed the commercial potential of that research. This Summit will explore success stories of researchers translating their research, discuss perspectives and approaches employed by small and large businesses in translating technologies, and engage in workshops to strengthen skills in various forms of translation and commercialization.

Speakers Include:

- Jon Daigle
- Marcin Lewandowski
- Mathieu Pernot
- Paul Reynolds
- Ryan Gessner
- Stuart Foster
- William Walker
- Zhen Xu

Registration Rates:

Held in-person only. Price includes networking buffet lunch.

- Regular Rate - $150 USD
- Student/Retiree/IEEE Life Member - $75 USD
